

Theory, Algorithms and Applications of Dissipative Particle Dynamics

September 21-23, 2015, Shanghai University

www.cfm.brown.edu/dpd-workshop

Alexander Alexeev
Marco Ellero
Dmitry A. Fedosov
Hongxia Guo
Changho Kim
Jiaping Lin
Zhongyuan Lu
Alexandre Tartakovsky
Xianren Zhang

Invited Speakers

Georgia Institute of Technology, **USA**
Swansea University, **UK**
Forschungszentrum Jülich, **Germany**
Beijing Institute of Chemistry, CAS, **China**
Brown University, **USA**
E. China Univ. Sci. & Technol., **China**
Jilin University, **China**
Pacific Northwest National Laboratory, **USA**
Beijing Univ. of Chemical Technology, **China**

Tutorial: Practicing Dissipative Particle Dynamics Using Open Source Codes

Sponsors: Shanghai Institute of Applied Mathematics and Mechanics, China
Shanghai Center for Nonlinear Sciences, China
Pacific Northwest National Lab, USA
Beijing Computational Science Research Center, China

Organizers: George Em Karniadakis and Zhen Li, Brown University, USA
Zhewei Zhou, Shanghai University, China

Contact: Madeline_Brewster@brown.edu
